**Valentine's Day will never be the same!**

**Monday, February 15, 2010**

**Celebrate Valentine's Day as never before** when the Purple Rose brings **IN LOVE** to an intimate private party on Cavanaugh Lake. Celebrate love and lovers with a wildly hilarious, and sometimes sentimental, entertainment for a lucky few. The evening, hosted in a private home, will begin at seven o'clock and will feature a never-before-seen-anywhere-on-the-planet performance of Purple Rose Free Range Thespians, **IN LOVE**. Your Valentine will never forget this evening of romantic mayhem, fetishes, fears and fancies, classic stories of courtship, hugs, kisses, and love gone wrong. Everything you need to impress your Valentine is included: wine, dinner, dessert, cocktails, music, merriment, hijinks, surprises, camaraderie, and romance.

**Don't miss this extraordinary Valentine's evening.**
